Programme**

**6<sup>th</sup> December 2025**

*Future Ready Schools:  
Fostering Entrepreneurship  
& Innovation*

## **TKM INSTITUTE OF MANAGEMENT**

TKM Institute of Management (TIM), located at Musaliar Hills, Ezhukone, near Kollam, is one of Kerala's

premier B-schools. For over three decades, TIM has built a distinct reputation in management education through strong

academics, industry linkages, placements, research, and community initiatives. Its MBA program, affiliated with the University of Kerala and approved by AICTE, has earned continuous NBA accreditation for three cycles. TIM has consistently nurtured competent professionals who hold key positions in leading organizations across India and abroad. The institute is one among the eight prestigious institutes coming under the Thangal Kunju Musaliar Trust established in the year 1956.

## **CENTRE FOR PROFESSIONAL DEVELOPMENT AND CONTINUING STUDIES**

The Centre for Professional Development and Continuing Studies at TKM Institute of Management is a vibrant platform for continuous learning, professional excellence, and industry engagement. It offers Faculty

and Management Development Programs on emerging topics for professionals across regions, along with certificate programs delivered independently or through collaborations with centres of excellence.

By forging MOUs with institutes and professional bodies, it enables joint initiatives of mutual benefit. Its activities—guest lectures, TIM Talks, seminars, workshops, and applied projects—foster industry interaction, skill

### **Brief Overview of the Programme**

This programme is designed to equip school leaders and educators with the knowledge, tools, and strategies to build a culture of entrepreneurship and innovation within their institutions. By integrating entrepreneurial thinking and innovative practices, schools can empower students to develop 21st-century skills such as creativity, problem-solving, leadership, and adaptability.

### **Programme Objectives**

- To familiarize school leaders with global best practices in entrepreneurship and innovation in education.
- To provide strategies for fostering a start-up and innovation mindset among students.
- To introduce tools and frameworks for effective implementation of innovation labs and entrepreneurship initiatives.
- To build leadership capacity for driving institutional innovation.

### **Contents of the Programme (Topics covered)**

1. Future Ready Schools – What & Why?
2. Building an Entrepreneurial Culture in Schools
